

SUPERCLEAN

Premium ultra fast hard surface cleaner and degreaser

SUPERCLEAN is a powerful, versatile non-caustic multi surface cleaner and degreaser.

ADVANTAGES

Heavy duty cleaner suitable for use on most wipeable surfaces, floors, walls, tiles and vinyl.

Removes body fat and soap scum from showers, baths and pool areas.

Contains grease-busting emulsifiers for rapid penetration and removal of oil and grease deposits.

Versatile degreaser for machinery, plant and equipment.

Non caustic formula minimises damage to soft metals such as aluminium and galvanised surfaces.

Unperfumed so can be used in food processing areas.

Non Irritant formula – Low Hazard in use

TYPICAL APPLICATIONS

- Suitable for use in commercial, institutional and leisure establishments for cleaning floors walls, washrooms and other hard surfaces.
- Ideal for cleaning plant and equipment prior to inspection and maintenance.
- Low odour allows application in food processing and preparation areas.
- Contains mild solvents to aid penetration and removal of stubborn deposits such as rubber scuffs and skid marks.
- Ideal for cleaning floors in warehouses and production areas. Suitable for use through pressure washers.
